What do children receive after doing the test?

All candidates who complete *Cambridge English: Young Learners* tests receive a certificate. There is no pass or fail result. Every child who takes the test should feel they have achieved something important. On their certificate, candidates will see shields for Listening, Reading and Writing, and Speaking. The maximum score for each is five bold shields. One bold shield means that the child took the test but can still improve a lot in this part of the test. Five bold shields mean that the child did very well in this part of the test. A total score of 10 or more bold shields shows that the child is ready to start preparing for the next Cambridge English test. Certificates usually arrive three to four weeks after the test or earlier. If you need to check when your certificate will arrive, contact the exam centre.
