TEXT F

Magda

Country: Poland

Group: E1a (Monday)

Tutor: Pierre

Buying cheap things

I know lots of places to buy cheap food. There's a large supermarket next to my flat. It's on 3 floors. The prices are very good and I'd like to get a job there. You can buy food from my country and that makes my kids happy. Sometimes you wait a long time to pay – I hate that. My English class finishes at 10.30am and I go shopping after that on the way home.

Fadumo

Country: Somalia

Group: E1b (Tuesday and Thursday)

Tutor: Marie

I go clothes shopping with my sister. She gives me good advice. My kids come with me when I'm shopping for toys. I do my food shopping with my husband on Saturday. He likes to choose things and helps to carry the bags. There's nowhere to park our car near the supermarket – I don't like that.

Diella

Country: Kosovo

Group: E1c (Friday)

Tutor: Abebe

There are a few shops near me. I think it's nice because I know all the shop assistants. I go every weekday but not at the weekend. In my country people always do their shopping in their community. I always buy fresh food and cook it that day. There is a nice new supermarket in town but the people are not very friendly – I think that's bad.
