English Qualifications

## Your path to learning English, step by step

Cambridge English Qualifications are in-depth exams that make learning English enjoyable, effective and rewarding.

Our unique approach encourages continuous progression with a clear path to improving language skills. Each of our qualifications focuses on a level of the Common European Framework of Reference (CEFR), enabling learners to develop and build speaking, writing, reading and listening skills.

Our qualifications are based on research into effective teaching and learning. They motivate people of all ages and abilities to learn English and develop practical skills for the real world.

We have Cambridge English Qualifications for:

- Schools
- General and higher education
- Business

Whether learners are planning to live, work or study in their own country or abroad, our qualifications prove they have the English language skills to succeed.

## Online English testing, simplified

Linguaskill is a quick and convenient online test to help higher education institutions and employers check the English levels of individuals and groups of candidates.

Organisations can use Linguaskill to test candidates of all abilities for admissions, recruitment, career progression and graduation purposes. It is easy to administer and can be run at any site under secure conditions, at any time. Answers are marked automatically to provide fast, accurate results.

It combines the latest technology with the reliability and quality you expect from Cambridge.
