TEXT E

My College Trip

by Eshan

A few weeks ago my English class went to Althorpe House. The gardens were very big with a lot of flowers and the house was old and beautiful. We saw a lot of paintings and a woman told us the history of the house. It had a beautiful library, with an enormous collection of books. At lunchtime we had a picnic outside. Luckily it was a lovely hot day. This was my first school trip, and I was worried about my English and understanding the lady but she spoke slowly and I understood a lot. I would like to go back there and show this place to my family. Maybe I'll take them next summer.

The Aquarium

by Ahmed

This term I went to the Aquarium, where you can see many amazing and colourful fish. I was very excited when my teacher told us that we were going to visit this place because I love fish and I have many fish at home. I'm always borrowing books about them from the library. At the Aquarium I saw many fish and creatures that I had never seen before. We had to answer some questions at the Aquarium, then write about it before the next class. It was also my first time on a train so it was really exciting!

The Nature Park

by Bernadette

On June 30th my class and I went to a beautiful nature park about an hour away from our school. I talked to some of my classmates on the bus. When we got there we went to the Nature Centre and learnt about the different animals in our area. Our teacher brought some cameras so we took lots of photographs. When we came back to school our teacher put the pictures on the classroom wall. We also made a class book about the trip. I was very pleased with my pictures, and now I would like to do a photography course.
