

# Cambridge English Exam acceptance grows

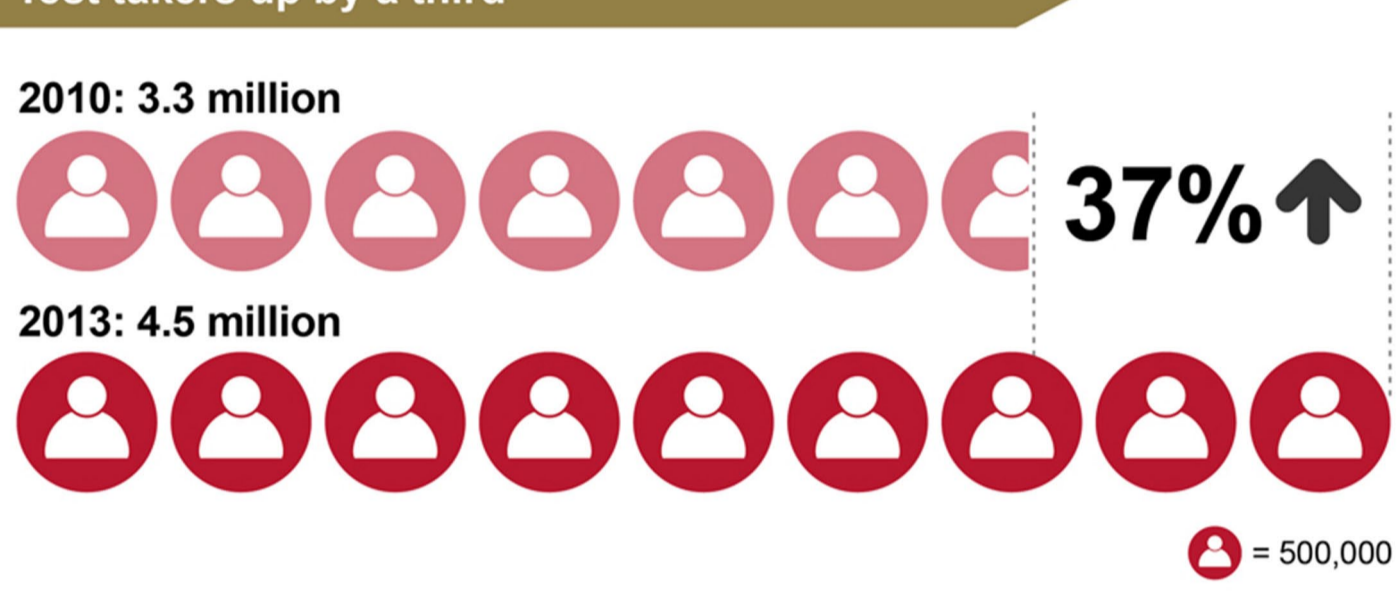

## International student numbers tripled

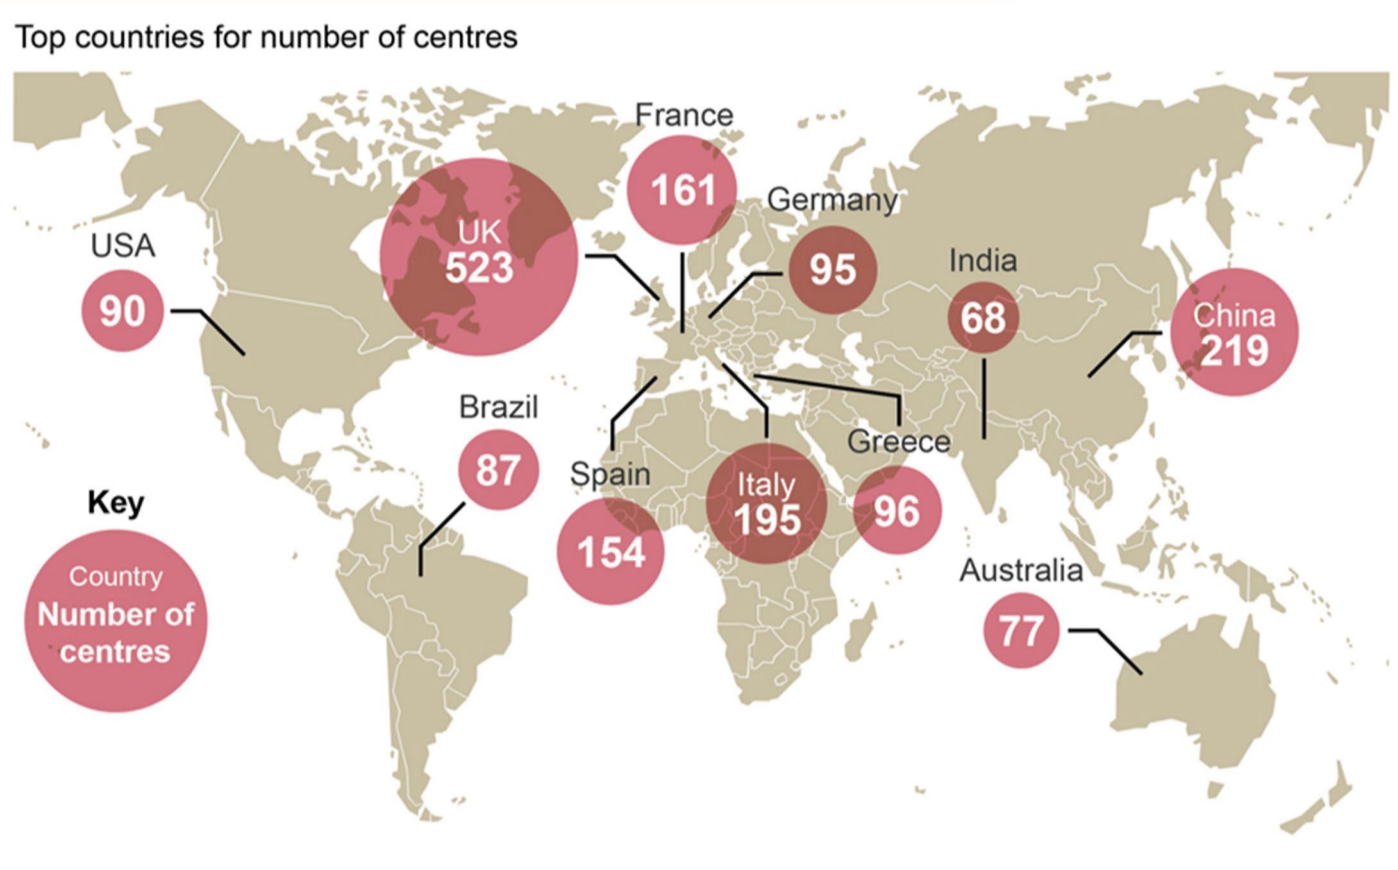

## Cambridge English acceptance up by a third

## Test takers up by a third

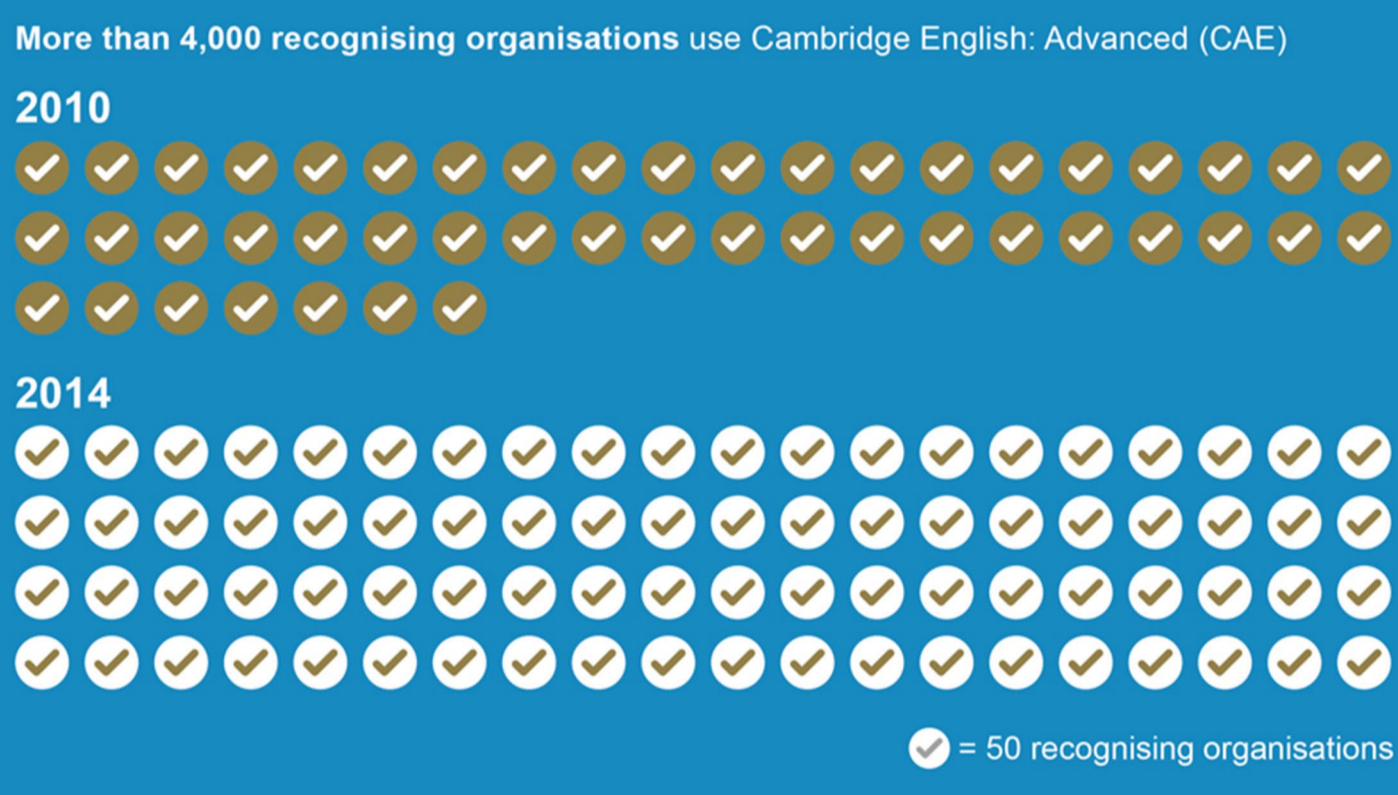

## 2,800 exam centres in more than 130 countries

## Cambridge English Advanced

### 71% increase in acceptance

### Universities that accept the exam include

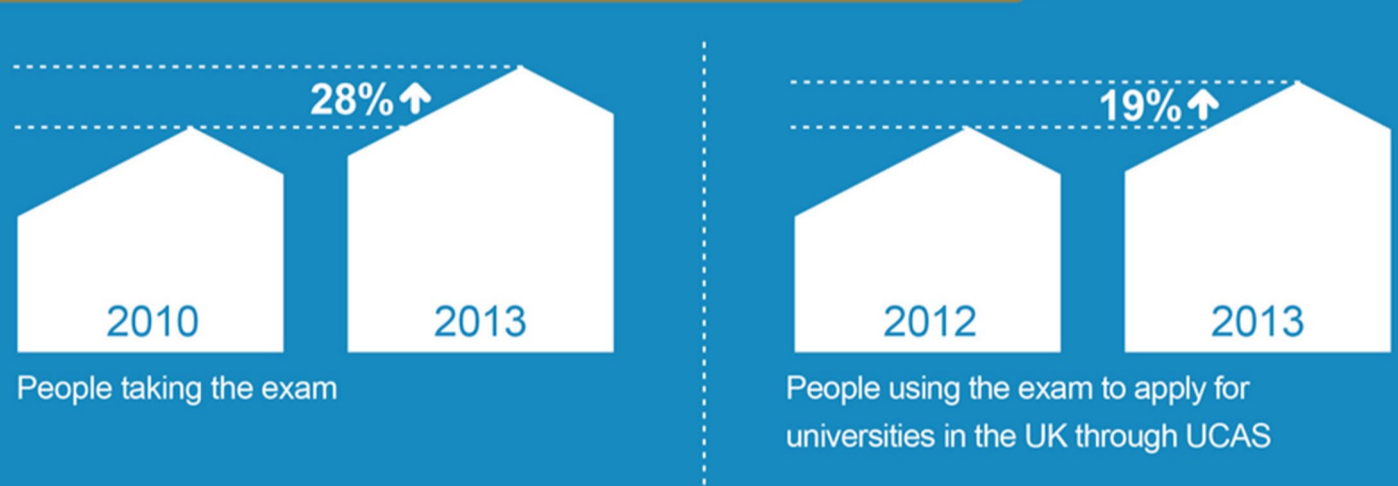

"Cambridge exams are known for their reliability and validity and Cambridge English: Advanced will be helpful as we assess students' English language ability"

University of Virginia  
Greg W. Roberts, Dean of Admission

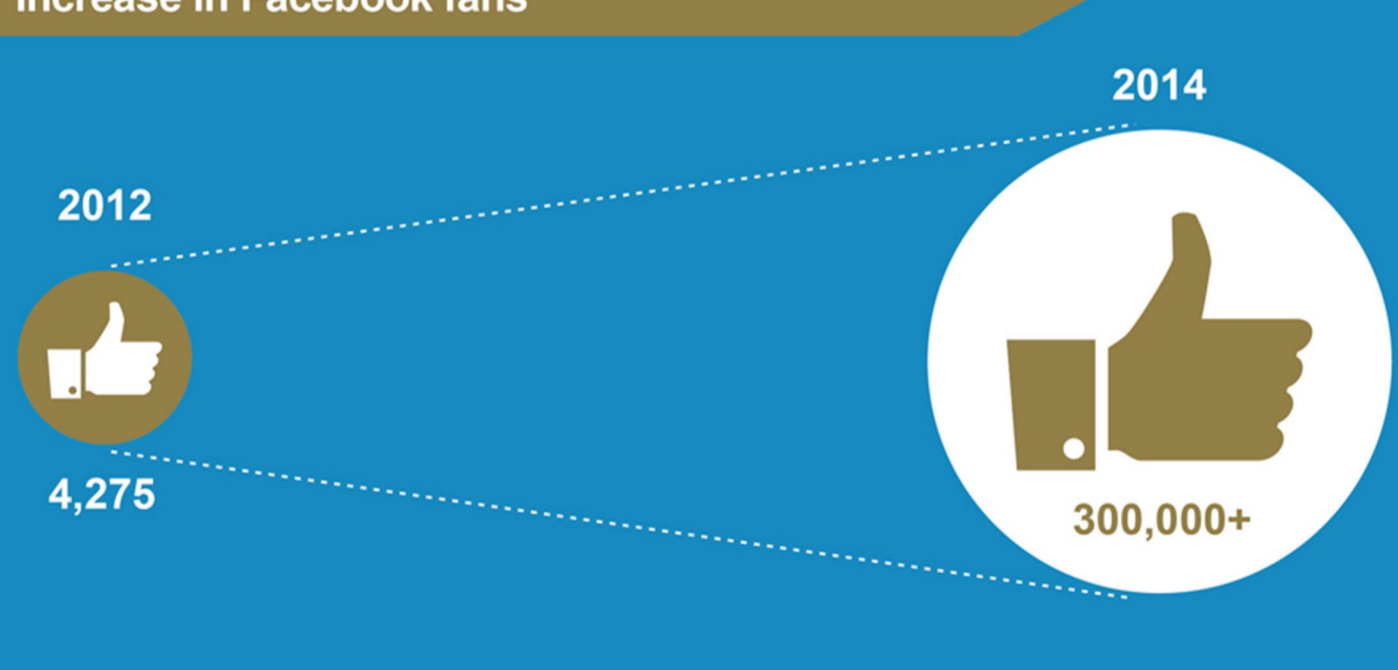

"Students invest a substantial amount of time and effort preparing for CAE. This improves their language proficiency and leads to broad, detailed understanding of English, giving them a strong foundation to manage the tasks they face during their university studies"

London School of Economics & Political Science (LSE)  
Alison Standing, Language Coordinator
