About this book

You can use this colourful picture book to help children when they are just starting to learn English.

The book has many of the words from the Cambridge English: Starters Word List. You will find the words in:
• the colour pictures
• the ‘Let’s talk!’ sections
• the activity pages.

The full Cambridge English: Starters Word List is at the end of this book.

▪ Talk about the pictures

If you are a parent or a teacher, find time to sit with the children and look at the book. Talk to them about what you see. As a start you could ask some of the ‘Let’s talk!’ questions on the picture pages.

▪ Find words in the pictures

There are lots of words to find in the pictures.
Can the children find them all?
See if the children want to test your English too!
What can they ask you to find in the pictures?
About Cambridge English: Starters

Cambridge English: Young Learners, also known as Young Learners English (YLE), is a series of fun, motivating English language tests for children from 7 to 12 years old. The tests are an excellent way for children to gain confidence and improve their English.

There are three levels of test:
- Cambridge English: Starters
- Cambridge English: Movers
- Cambridge English: Flyers.

Cambridge English: Starters is for children who are just starting to learn English.

Goodbye!

Use your favourite colours to colour in the Young Learners.
Parents and teachers can use the Cambridge English: Starters Word List Picture Book to help children get better at English and learn new words.

Sit down and talk to children about the pictures. Can they find many of the different words in the fun, colourful pictures? Can you help them answer the questions in the ‘Let’s talk!’ sections?

The Cambridge English: Starters Word List Picture Book includes many of the words children might see in their Cambridge English: Starters test.
