With the right support, learning a language is an exhilarating journey. We're there with learners, every step of the way.

Your path to learning English, step by step

Cambridge English Qualifications are in-depth exams that make learning English enjoyable, effective and rewarding.

Our unique approach encourages continuous progression with a clear path to improving language skills. Each of our qualifications focuses on a level of the Common European Framework of Reference (CEFR), enabling learners to develop and build speaking, writing, reading and listening skills.

Our qualifications are based on research into effective teaching and learning. They motivate people of all ages and abilities to learn English and develop practical skills for the real world.

Whether learners are planning to live, work or study in their own country or abroad, our qualifications prove they have the English language skills to succeed.

Why choose Cambridge English Qualifications?

Better progression

We offer a seamless journey from Pre A1 Starters to C2 Proficiency. As language learning is a long journey, it's important to have regular milestones to aim for – our exams provide focus and pace to keep students motivated, every step of the way.

Giving learners real-life communication skills

Our exams help to structure the language-learning curriculum. Our students are always aiming for a particular CEFR level, so teachers have a clear idea of how best to prepare students, and students have a clear goal in mind. Our exams are based on authentic situations and test all four skills, so preparing for the exams helps learners develop the skills they need inside and outside the classroom.

Accepted and valued worldwide

Cambridge English Qualifications are recognised by over 20,000 universities, employers and governments around the world. They trust our qualifications as secure and reliable proof of English language ability. Our qualifications are a mark of excellence and open doors to higher education and employment opportunities.

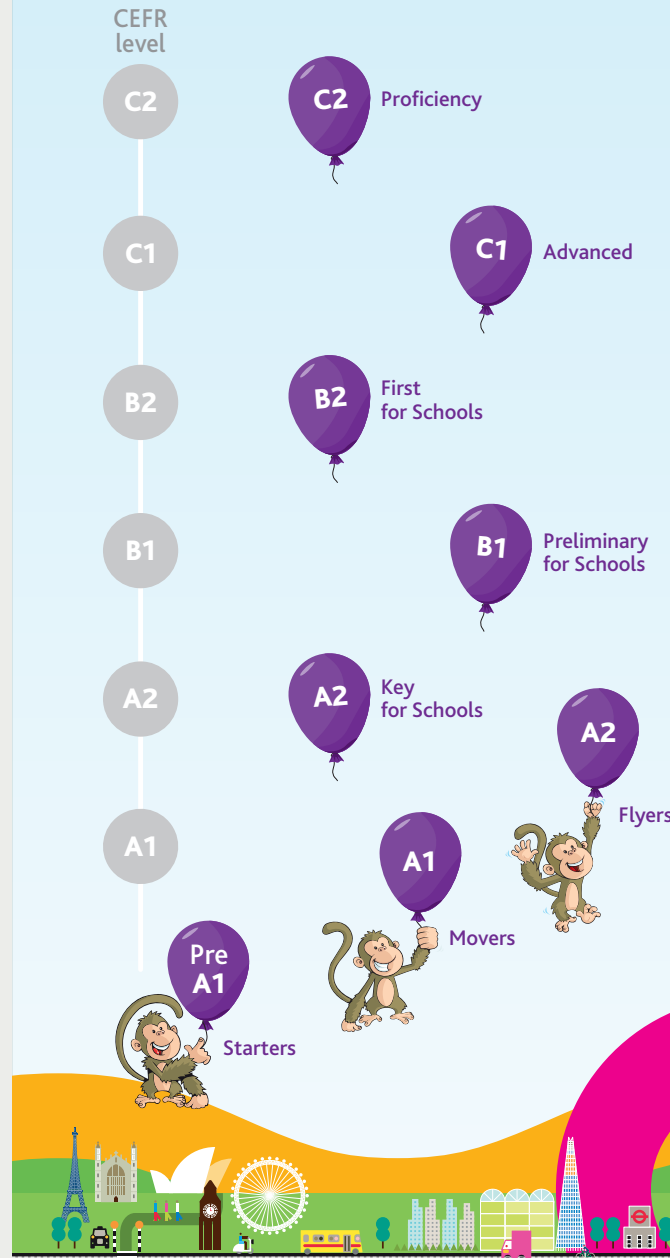

Comprehensive support for teachers

We provide a wide range of teaching support, exam preparation materials, free resources and training to help teachers support students more effectively and give them the best chance of success.

Cambridge English Qualifications provide reliable assessment at the CEFR levels above and below the target level. These exams are also reported on the Cambridge English Scale, which provides detailed information of performance. Our qualifications for young learners – Pre A1 Starters, A1 Movers and A2 Flyers – report achievement at the target level and the one below.
