Pre A1 Starters, A1 Movers and A2 Flyers tests are the perfect introduction to internationally recognised language assessment for children in primary and lower secondary education. Learners are encouraged to move through three levels: Pre A1 Starters, A1 Movers and A2 Flyers.

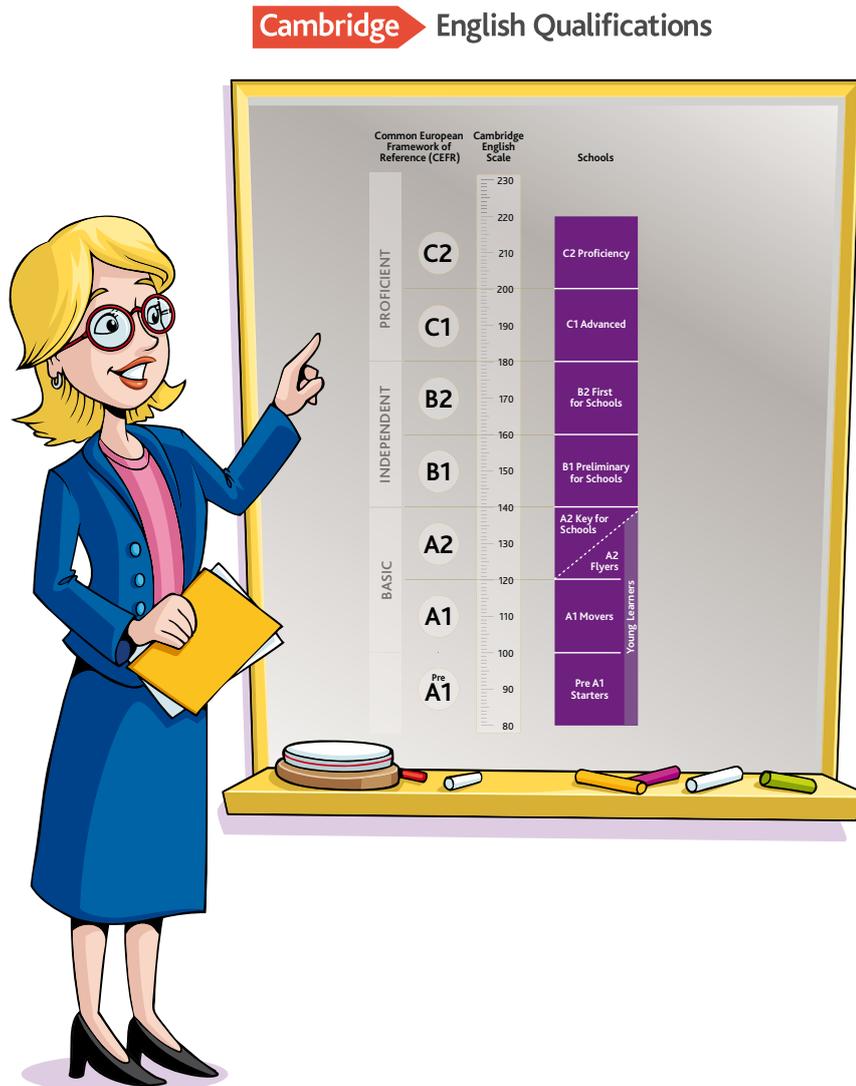

#### Key features of Pre A1 Starters, A1 Movers and A2 Flyers tests

- Attractive design with full-colour illustrations.
- Motivating task types and question formats.
- Based on how children learn and how they develop language skills.

## The Common European Framework of Reference for Languages

All Cambridge English exams are aligned with the Council of Europe's Common European Framework of Reference for Languages (CEFR). This internationally recognised framework describes language ability on a scale of levels from A1 for beginners to C2 for mastery of a language. The CEFR is used by organisations all over the world as a reliable description of language ability. The Cambridge English: Young Learners tests are set at Levels Pre-A1 (Starters), A1 (Movers) and A2 (Flyers).

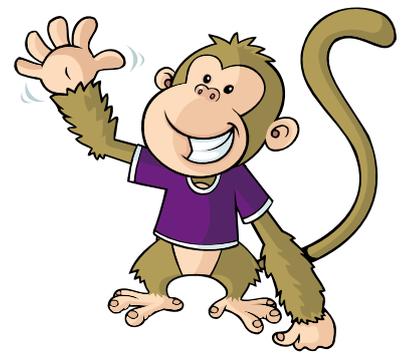

### The certificates

Pre A1 Starters, A1 Movers and A2 Flyers tests encourage children to move forward in their language learning by celebrating their progress and achievements. At each level children receive a certificate. The number of shields (from 1 to 5) in three key skill areas (listening, reading and writing and speaking) shows what a young learner can do and points them to the next stage of their journey.
