**Before the exam**

Register for the [Online Results Service](http://www.cambridgeenglish.org/online-results) using your Candidate ID and Candidate Reference Number from your Confirmation of Entry.

Check the date, time and address of your exam. Your centre will send you this information. If you have any questions, contact your centre before the exam day.

Remember to check how long it will take you to travel to the exam.

Get to the exam early. Follow the directions to find the exam room or go to reception and ask for directions.

You cannot bring your mobile phone/electronic items inside the exam room. Your centre will tell you if they can store your electronic items securely. If they can’t, you should consider leaving your electronic items at home.

---

**What to bring to the exam**

Bring your identification (ID), for example a passport or national ID card. It must be the original document with your photo and it must be valid on the day of your exam.

Bring pens and pencils with erasers. Your centre will give you extra pens and pencils if you need them.

Do not bring food or drink to your desk in the exam room (apart from a clear plastic bottle of water).

You cannot bring your bag to your desk or keep your mobile phone/electronic items inside the exam room. Your centre will tell you what to do with your belongings.

---

**On the exam day**

Your centre will tell you where to put your bags, mobile phones, etc. There is a timer on your screen. Have your photo ID ready for checking.

You cannot access your mobile phone/electronic items for the duration of the exam.

Your centre will take your photo for B2 First, C1 Advanced and C2 Proficiency exams.

Listen carefully to the instructions which the invigilator will read out and make sure you follow the instructions on your screen. If you have any questions, need help or want to leave the room, raise your hand to ask for help.

Do not talk to other people, or try to see what they are typing.

For your Listening test, raise your hand immediately if you cannot hear the recording.

---

**At the end of each test**

If you have used paper for notes, leave the paper on your desk; do not take it out of the exam room.

Stay in your seat until the invigilator tells you to leave the room.

If you have any questions or problems, tell the invigilator immediately.

Remember you will not be able to access your mobile phone/electronic items during the breaks.

If you have registered for our Online Results Service we will email you as soon as your results are released.

**Good luck with your exam!**
