Official Cambridge Exam Preparation

Give students the full exam experience

Each Authentic Digital Practice Test contains one full test, including:

- Reading/Reading and Use of English
- Listening
- Writing
- Writing sample answers and examiner commentaries
- a downloadable Speaking paper.

Students can attempt the test three times.

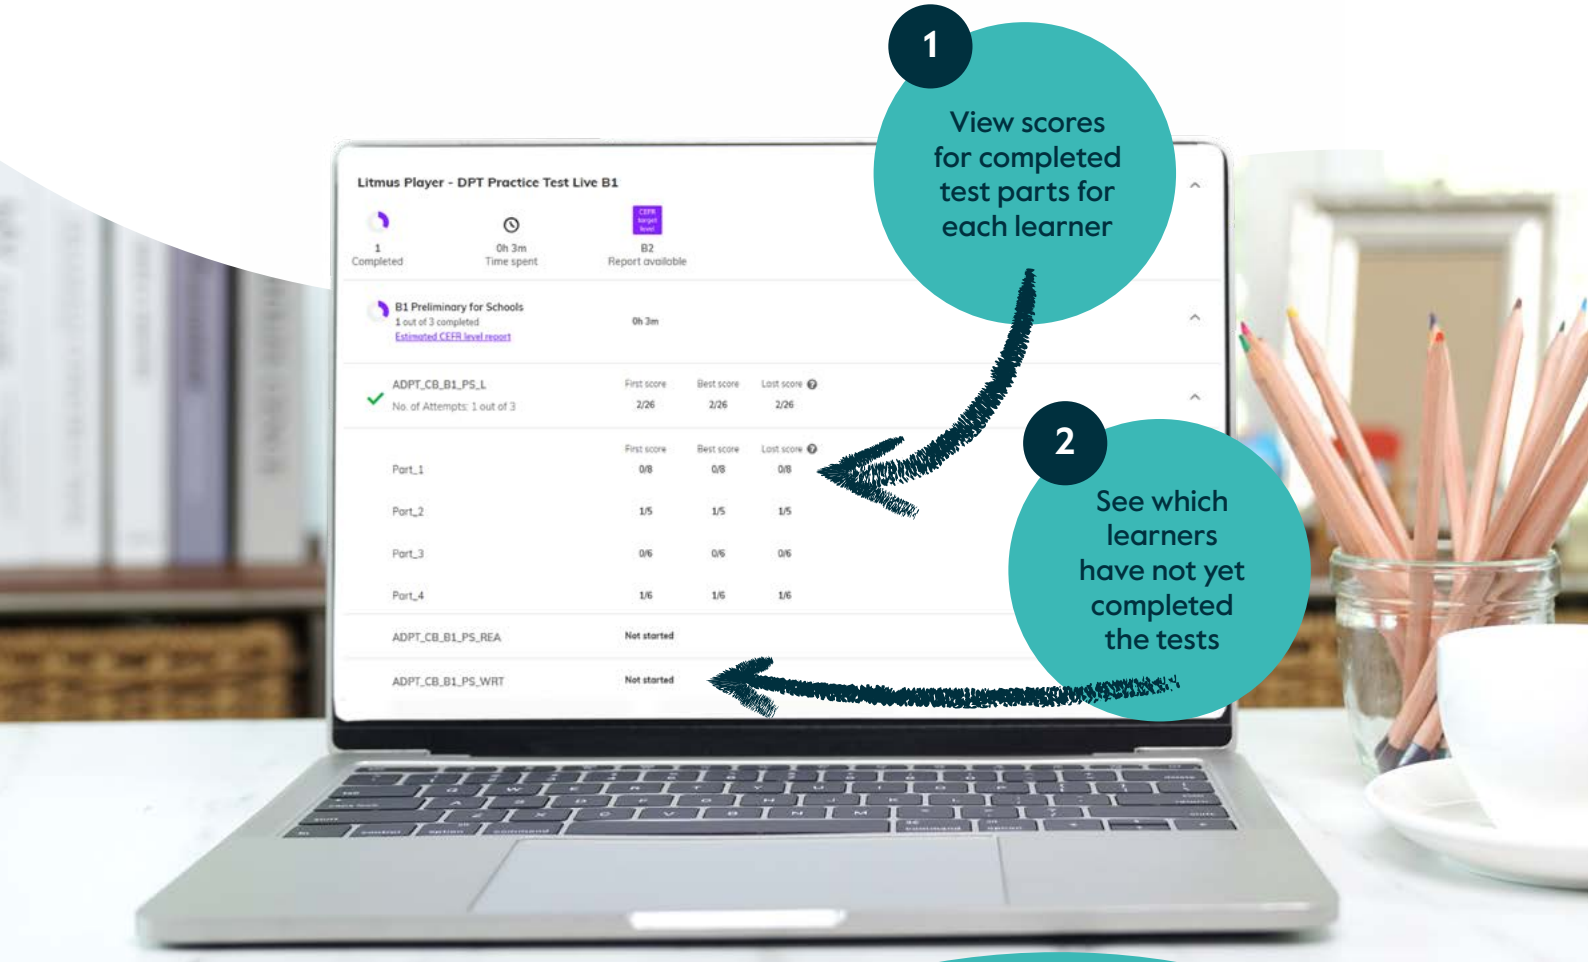
Access lasts for 12 months following activation.

Set the test for your class

Use the Teacher Version to add the Authentic Digital Practice Test to your class in Cambridge One and assign the test to your learners as classwork or homework. You can assign all skills together or each at separate times.

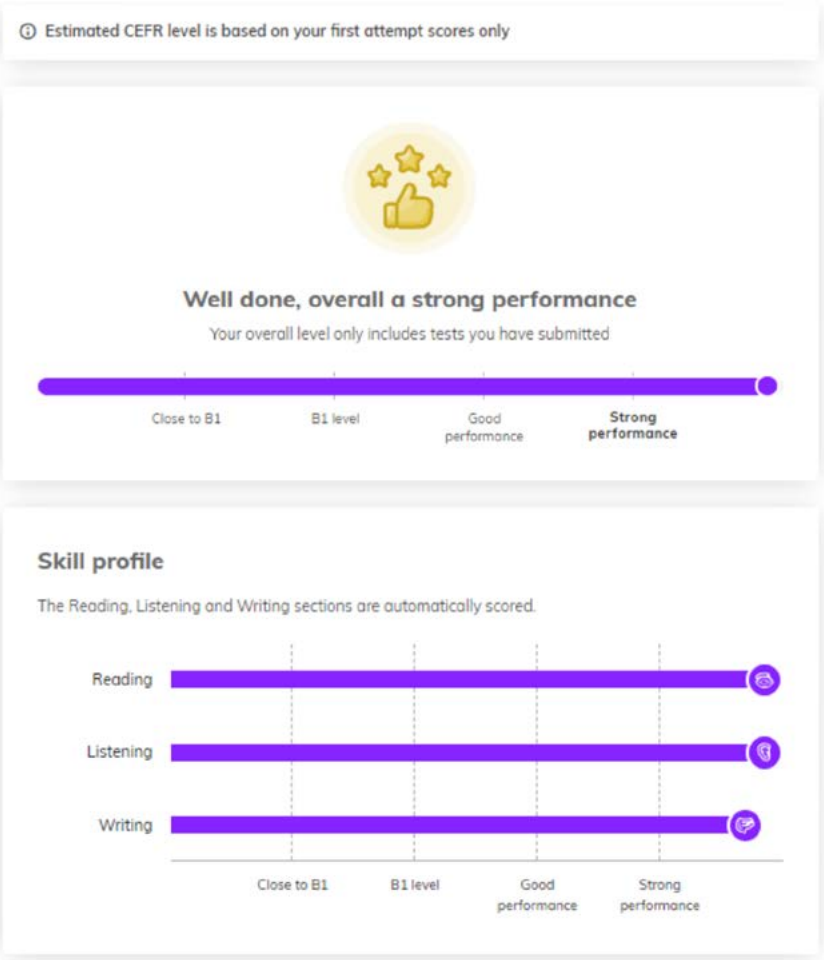
Review progress

You can review progress for individual learners and for the whole class.



"Clear, easy-to-follow instructions with useful tools to give my students a straightforward and effective exam preparation"

Charlotte
English Teacher



Save time with auto-marked results

The test is auto-marked which saves you time and provides results in under five minutes (except Speaking and C2 Writing).

Both you and your students can identify specific areas for improvement by:

- seeing overall marks for each part of each test
- reviewing individual correct and incorrect answers
- accessing correct answers

You and your students can also view a CEFR report from the first attempt, indicating overall performance and performance by skill.
