Here are some things you can work on:

Practise understanding questions and answering with simple phrases in a short conversation or text chat.
Practise reading and understanding simple English sentences that describe things – and writing them too.
Practise understanding short simple conversations and stories.

What can I do to improve?

Try to read one story in English a week. What happens in the stories?
Watch videos, cartoons or TV shows in English. Can you draw pictures to show what happened?
Can you draw some fun emojis or emoticons? Now can you write some phrases to match them. E.g. How are you? I'm great :)
Tell someone about yourself, your family, your friends, what you like, sports, clothes.
Can you draw a picture of your friends, family, house or school or street? Can you write about your picture?
Listen to a song or watch a short video in English. Can you say 2 or 3 things that you understood, in your own language?
Make a vocabulary mini-game! Draw some pictures of words from the wordlist on small pieces of card. Ask a friend to hide one card. Can you say which word is missing?

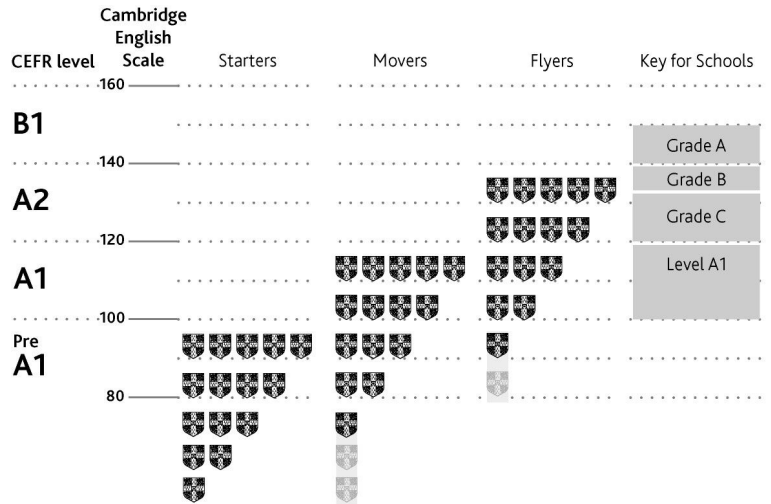

Starters, Movers and Flyers

Starters, Movers and Flyers exams are designed to help children achieve internationally recognised standards of English. The three exams are aligned to the Council of Europe's Common European Framework of Reference (CEFR) at Levels Pre A1, A1 and A2.

Results for the exams are mapped to the Cambridge English Scale. The Cambridge English Scale is designed to complement the CEFR.

There is no pass or fail in Starters, Movers and Flyers. All children receive a certificate which shows how many shields they receive in each skill (speaking, reading & writing and listening). The maximum score is five shields.
