An online teaching qualification with observed teaching practice

CELT-P is ideal if you are an English language teacher working in primary education, with learners aged 6–12 years. You refresh and build your knowledge and skills, through a combination of online study and observed teaching practice.

The course helps you with challenges like developing learners' listening and speaking abilities in large classes. It is:

- **flexible and convenient** – the online modules can be taken in any order
- **practical** – focusing on relevant practical skills to improve your classroom performance and get the best from your learners
- designed and developed by Cambridge English, part of the University of Cambridge.

CELT-P is offered to groups of teachers through employers and teaching organisations. Talk to your employer if you're interested in taking this qualification, or visit our website for more information.
