About the workshop:

Cambridge English: Speaking and the CEFR for B1 Preliminary, B2 First and C1 Advanced

In this workshop, we will look at the difference between B1, B2 and C1 levels and see what learners should demonstrate in context of the Cambridge English exams. We will explore aspects students should think about to develop their speaking skills and look at practical ways to help them broaden the range of vocabulary and grammar structures, while promoting confidence and fluency. The information, tips and activities will be useful when preparing students for the *Cambridge English: B1 Preliminary, B2 First and C1 Advanced* exams, school leaving exams and life after school.

Presenter: Leszek Szulc, Cambridge Assessment English
