

A1 Movers – Elvira

Please read this and watch [this video](#) of Elvira doing an A1 Movers Speaking test.

Elvira uses the vocabulary required to deal with all test tasks. She uses some simple structures correctly but makes some mistakes, although meaning is generally clear. She responds at word, phrase and longer utterance level ‘that girl has got a pink jacket and that girl has got yellow jacket’. Elvira can join her ideas with some simple linkers (e.g. and, but, then, when) ‘second picture is when, that the boys is helping Mum to make a cake, in the third one the Mum is put the cake on the table to eat...’

Elvira is mostly intelligible. Elvira has limited control of word stress and intonation ‘no, it’s sunny’.

Elvira responds appropriately to instructions, questions and visual prompts and she requires no support. She always responds promptly.
