

At the doctor's

Can you understand what your doctor or nurse says to you?

What's the matter?

Where does it hurt?

Does this hurt?

Tell me what happened.

You must go to bed today.

You must take this medicine.

Things you may say when you're not well

I am not well.
I feel terrible!
I have a temperature.
I've hurt my arm.
I've hurt my leg.
I've hurt my foot.

I've hurt my
shoulder.

I have a
headache.

I have
earache.

I have a
stomach-ache.
