A Fast Track service is available for an additional £21.00 which guarantees despatch within seven working days from confirmation of payment. **This service is only available if all details of the examination have been provided in full.**

It is not possible to apply for fast track and notarisation due to the additional time required completing the legal process.

**International only:** Deliveries outside of the UK are by UPS, and will be charged an additional £28.00.

Where it is necessary to have your certifying statement notarized (endorsed by a solicitor), enquiries should be made in the first instance to Cambridge English Past Records. The full cost of this service (£160) is passed directly to the applicant. This service can take up to an extra 8 weeks processing, because it is dealt with by a third party organisation after the initial application time has been completed.

**Payment Calculation**

The fee for the application is calculated. If anything is incorrect, applicants can amend the form accordingly. Applicants must then agree to the Cambridge English Terms and Conditions before proceeding to Payment.

Once payment has been made, applicants can print out the Confirmation page for their records.
