Wednesday 1 April 2020

PROGRAMME

10.30 – 12.00 **Assessing B2 First for Schools Writing Confidently**
Stephen-John Taylor, Cambridge Assessment English Presenter & Consultant

This webinar addresses the issue of assessment in terms of the B2 First for Schools Writing Paper. It is in 2 parts. The *first* includes an **introduction to and overview of the main criteria** employed by examiners to grade such scripts; the *second* provides an in-depth analysis of **6 genuine B2 First for Schools scripts produced by Greek candidates** (two Part 1 Essays, one Part 2 Article, one Part 2 Email, and two Part 2 Stories) *with appropriate grading and commentary.*

The aim of the webinar is to enable teachers working within the Greek/Cypriot context to approach the Writing Paper tasks with greater confidence and provide *constructive feedback* to their students preparing for this popular examination.

Moreover, towards the end of the session, we will look at:

- *new academic resources* for B2 First for Schools
- what resources & materials are available from Cambridge Assessment English & Cambridge University Press, to support you, as you quickly adapt to new ways of teaching in these difficult circumstances.

- Attendance is free of charge.
- A certificate of attendance will be sent after the end of the session.
