Assessing C2 Proficiency Writing Confidently

Wednesday 8 April 2020

PROGRAMME

10.30 – 12.00 **Assessing C2 Proficiency Writing Confidently**
Stephen-John Taylor, Cambridge Assessment English Presenter & Consultant

This webinar addresses the issue of assessment in terms of the C2 Proficiency Writing Paper. It is in 2 parts. The *first* includes an **introduction to and overview of the main criteria** employed by examiners to grade such scripts; the *second* provides an in-depth analysis of **6 genuine C2 Proficiency scripts produced by Greek candidates** (two Part 1 Essays, one Part 2 Article, one Part 2 Letter, and two Part 2 Reviews) *with appropriate grading and commentary*.

The aim of the seminar is to enable teachers working within the Greek context to approach the Writing Paper tasks with greater confidence and provide *constructive feedback* to their students preparing for this popular examination.

Moreover, towards the end of the session, we will look at *what resources & materials are available* from Cambridge Assessment English & Cambridge University Press, to support you, as you quickly adapt to new ways of teaching in these difficult circumstances.

- Attendance is free of charge.
- A certificate of attendance will be sent after the end of the session.
