At the zoo

Notes for parents/teachers and learning activities
Notes for parents and teachers

Most children take part willingly in singing activities and so have fun whilst learning and practising language. Using simple action songs at home and in the classroom can have the following benefits:

- motivate young learners to listen and vocalise using rhythm and intonation
- help young learners to quickly learn, use and remember new language
- reinforce other desirable outcomes such as appropriate classroom behaviour, working with others, learner confidence and independence.

*At the zoo* has lively lyrics sung to a well-known tune (‘The wheels on the bus’). It tells the story of a family’s visit to a zoo and some of the animals they see. The song has been specially written to include many of the words children might see in their *Cambridge English: Starters* test.

Use the following resources to reinforce the song:

**Children’s activity sheets (page 4)**

The five children’s activities that accompany *At the zoo* provide themed reading and writing activities based on the vocabulary, grammar and structures used in the song lyrics. Additionally, the activities provide valuable preparation for the *Cambridge English: Starters* test by using the same types of questions found in the Reading and Writing paper. Activity answers are provided.

**Cambridge English: Starters Word List Picture Book**

See the animals at the zoo, and much more, in this book which contains, and illustrates, the *Cambridge English: Starters* alphabetic vocabulary list. Children will love looking at, and talking about, the themed pictures in this colourful book.
At the zoo

The song can support children’s learning both at home and in the classroom, either as part of a general lesson or as the topic of a themed lesson.

**At home**

Just turn on your computer, tablet or smart phone and encourage your child to listen and, when ready, sing along, karaoke-style, to the song. You should join in, too! The language learning will happen whilst the child has fun. Repeat as many times as the child wants. Follow up at a suitable time with the activity sheets – but not necessarily all in one sitting.

The *Cambridge English: Starters Word List Picture Book* will provide further reinforcement and extension. Ask your child to compare the song pictures to those in the *At the zoo* section of the book. What other animals can they see? Remember, you don’t have to be musical to sing the song. You simply need to be enthusiastic!

**In the classroom**

Incorporate the song into your lessons along with your other favourite children’s songs. Or build a whole lesson around the song, developing the animals and family themes. Use your preferred lesson structure and add themed games, stories, nursery rhymes, poems, craft and movement activities.

Develop actions for the song. Ensure, though, that the actions are acceptable within your cultural environment. An innocent action in one place can be a rude gesture in another. Suggested actions are shown below but you may have other ideas.
