

Understanding the Statement of Results

B2 First and B2 First for Schools

Your Statement of Results gives you three main pieces of information:

1 Overall score

This is your overall Cambridge English Scale score for the whole exam. It is the average of the five individual scores that you receive for the four skills and Use of English. This is the most important piece of information.

2 Individual scores

You will be given a Cambridge English Scale score for each of the four skills (Reading, Writing, Listening and Speaking) and Use of English. With these individual scores it is easy for you to see how you performed across the exam and if you need to improve in any of the skills.

You will also receive a CEFR level and a grade for the overall exam. These are also shown on the Statement of Results.

For more information on the Cambridge English Scale, go to: cambridgeenglish.org/cambridgeenglishscale

3 Verification Number

This is a unique number which allows you to share your results with organisations. The Results Verification Service verifies and checks the authenticity of results shared by the candidates.

Test day photo

Test day photos are mandatory for B2 First but not for B2 First for Schools. If your exam centre takes your photo on the day of the exam, it will appear on your Statement of Results. This is so that universities, immigration authorities and employers that recognise the exams can be certain that the result is for the right candidate.

Certificate

As well as a Statement of Results, everyone who achieves a score of 160–190 will receive a First Certificate in English. If you score between 140 and 159, you will receive a certificate stating that you demonstrated ability at CEFR Level B1.
