Before the exam

Register for the [Online Results Service](#) using your Candidate ID and Secret Number from your Confirmation of Entry.

Check the date, time and address of your exam. Your centre will send you this information. If you have any questions, contact your centre before the exam day.

Remember to check how long it will take you to travel to the exam.

Get to the exam centre at the right time. Your centre will tell you when you need to arrive. They will ask you to arrive before the start time of the exam, so that they can perform ID/security checks and explain what you should do on the exam day.

What to bring to the exam

Bring your identification (ID), for example a passport or national ID card. It must be the original document with your photo on it and it must be valid on the day of your exam.

Bring pens and pencils with erasers. Your centre will give you extra pens and pencils if you need them.

Do not bring food or drink to your desk in the exam room (apart from a clear plastic bottle of water).

You cannot have your mobile phone or any other electronic items with you once the exam has started.

On the exam day

Your centre will tell you where to put your bags, phones, etc. There is a timer on your screen which will tell you how much time you have to complete that section of the exam. **Have your photo ID ready for checking.**

You cannot access your mobile phone/ electronic devices for the duration of the exam.

The centre may take your photo for identification on the exam day.

Listen carefully to the instructions which the invigilator will read out and **make sure you follow the instructions on your computer screen.** If you have any questions, need help or want to leave the room, **raise your hand to ask for help.**

Do not talk to other people, or try to see what they are typing.

If you are doing a Listening test, check that you can hear the test properly. Raise your hand immediately if you cannot hear the recording.

At the end of each paper

If you have used paper for notes, leave this at your desk; do not take it out of the exam room.

Stay in your seat until the invigilator tells you to leave the room.

If you have any questions or problems, **tell the invigilator immediately.**

If you have registered for our [Online Results Service](#) we will email you as soon as your results are released.

Good luck with your test!
