A2 Key

A2 Key for Schools

# Introduction to the A2 Key Vocabulary List

The A2 Key Vocabulary List gives teachers a guide to the vocabulary needed when preparing students for the A2 Key and Key for Schools examinations.

## Background to the list

The A2 Key Vocabulary List was originally developed by Cambridge English in consultation with external consultants to guide item writers who produce materials for the A2 Key examination. It drew on vocabulary from the Council of Europe's Waystage (1990) specification and other vocabulary which corpus evidence shows is high frequency.

The list covers vocabulary appropriate to the A2 level on the Common European Framework of Reference (CEFR) and includes receptive vocabulary (words that the candidate is expected to understand but which are not the focus of a question) and productive vocabulary (words that the candidate needs to know in order to answer a question).

The list does not provide an exhaustive list of all words which appear on the A2 Key and A2 Key for Schools question papers and candidates should not confine their study of vocabulary to the list alone.

## How the list is updated

The vocabulary of English changes over time, with words being added and other words falling into disuse. In order to maintain its currency, the Key Vocabulary List is updated on a regular basis, with the decision to add or remove words being informed by reference to the **Cambridge Learner Corpus** and **English Vocabulary Profile**.

The **Cambridge Learner Corpus** is a collection of over 44 million words of English, based upon evidence of language use by learners from all over the world and from which the **English Vocabulary Profile** has developed. The **English Vocabulary Profile** shows the most common words and phrases that learners of English need to know in British or American English. The meaning of each word or phrase in the wordlists has been assigned a level between A1 and B2 on the CEFR.

A preview version of the **English Vocabulary Profile** can be accessed by visiting the website: <http://www.englishprofile.org>

## Organisation of the list

- **Word sets**

Some categories of words that a learner at this level might be expected to know, e.g. days of the week, are not included in the alphabetical list but are listed in Appendix 1. Although 'grammar words' (pronouns, modal verbs, etc.) are included, the Language Specifications section of the Key and Key for Schools Handbooks (available from [www.cambridgeenglish.org](http://www.cambridgeenglish.org)) should be consulted for a more complete listing.

- **Exemplification**

Example phrases and sentences showing how words might be used are given only where words with different meanings need to be constrained. For example, *bank* is followed by 'I changed my money in a bank' – this shows that *bank* is limited to the idea of a financial institution: candidates are not expected to know other meanings, such as 'a river bank'.

- **Multi-word verbs**

All multi-word (or phrasal) verbs that a A2 Key or A2 Key for Schools candidate might be expected to know are included in the list. These verbs include 'literal' verbs (i.e. where the meaning is transparent), e.g. *sit down*, *go out* and 'non-literal' verbs, e.g. *look after*, *get up*.

- **Topic lists**

In Appendix 2, words have been grouped together under common A2 Key and/or A2 Key for Schools themes, such as 'Food and Drink', 'House and Home' and 'Sport'. Not all the words in the Topic Lists headings appear on the wordlist.

### Unsuitable topics

Cambridge Assessment English examinations must not contain anything that might offend or upset candidates, potentially affect their performance or distract them during the examination. A number of 'sensitive' topics are considered unsuitable for use in A2 Key and Key for Schools, for example war and politics, and vocabulary relating to these is not included in the Key Vocabulary List.

### Personal vocabulary

The content of the A2 Key Vocabulary List is general in nature and is unlikely to cover completely the productive vocabulary that may be required by candidates. Candidates should know the specific lexis they will need to describe themselves and their lives, for example hobbies, likes and dislikes.

### Abbreviations

Abbreviations used in the A2 Key Vocabulary List are:

<b>abbrev</b>	abbreviation or acronym	<b>mv</b>	modal verb
<b>adj</b>	adjective	<b>n</b>	noun
<b>adv</b>	adverb	<b>phr v</b>	phrasal verb
