## Become a teacher trainer and pass on your expertise

*Train the Trainer* enables experienced teachers to become teacher trainers.

You will learn how to plan and deliver effective teacher training courses. The focus is on developing the skills you need to run training sessions, observe teaching and give feedback. It is:

- a way to progress your career
- a way to extend your skills and experience
- designed and developed by Cambridge English, part of the University of Cambridge.

*Train the Trainer* is offered to groups of teachers through employers and teaching organisations. Talk to your employer if you're interested in taking it, or visit our website for more information.
